

The exclusive Special Edition

If you are looking for a case that stands out from all the others, look no further than the P182SE. It's got the solid design and the same great features that made the original P180 famous, but with more innovations such as an external fan control for the top and rear fan, ports for externally mounted liquid-cooling radiators and an eye catching exclusive stainless steel exterior with a stylish black interior. Don't pass up your opportunity to get one of these exclusive Special Edition cases.

Special Features:

- Unique Mirror-finished stainless steel
- Dual chambers structure: The power supply (not included) is located in the lower chamber to isolate heat from the system and lower system noise
- Special three-layer side panel and front door (stainless steel, plastic, steel) dampens system generated noise, making this one of the quietest cases available
- 0.8mm cold rolled steel for durability through the majority of chassis, 1.0mm cold rolled steel around the 4x HDD area
- Flexible snake light (installed), lights your way while working inside the case
- Exclusive black interior
- 11 Drive Bays:
 - External 4 x 5.25"; 1 x 3.5"
 - Internal 6 x 3.5" for HDD
- 7 Expansion Slots
- Cooling System:
 - 1 rear 120mm TriCool™ fan (standard)
 - 1 top 120mm TriCool™ fan (standard)
 - 1 lower chamber 120mm TriCool™ fan (standard)
 - 1 front 120mm fan (optional)
 - 1 middle 120mm fan (optional) to cool the VGA
- External fan control on the rear panel (for the 2 rear fans in the upper chamber)
- Motherboard: Up to Standard ATX (12" x 9.6")
- Double hinge door designed to open up to 270°
- Rubber grommets ports on the rear for liquid-cooling tubes allow you to mount external liquid-cooling hardware
- Front-mounted ports provide convenient connections:
 - 2 x USB 2.0
 - 1x IEEE 1394 (FireWire®, i.Link®)
 - Audio In/Out (HDA & AC' 97)
- Cable organizer behind motherboard tray minimizes cable clutter
- Case Dimensions:
 - 21.3"(H) x 8.1"(W) x 19.9"(D)
 - 52cm (H) x 21cm (W) x 51cm (D)
